## VISION

“ It shall be the constant endeavour of Ganpat University to meet the education needs of the youth in the areas of professional studies and provide state-of-the art learning opportunities along with inculcation of values of commitment and uprightness ”

## MISSION

“ Seek, search and offer programs that lead to symbiotic emergence of ‘academic excellence’ and ‘industrial relevance’ in education and research ”

## QUALITY STATEMENT

“ It shall be the constant endeavour of the University to deliver global standards of excellence in all its core and allied operations and remaining accountable for national values and objectives of establishments through process of self-evaluation and continuous improvement. ”

# PREFACE

On the one hand, the year 2017-18 has brought a plethora of landmark activities and some great news like the inauguration of Japan India Institute of Manufacturing – envisioned and inaugurated jointly by the Hon. Prime Minister of India, Shree Narendrabhai Modi and Hon. Prime Minister of Japan, Mr. Shinzo Abe – at Ganpat University campus established with the support of Maruti Suzuki India Ltd. and Government of Japan, 11th SAUFEST – South Asian Universities Cultural Fest, Best Placement providing University Award in Gujarat by Education Department, Government of Gujarat and the like. Though on the other hand, this steady stream of outstanding achievements was thwarted by the saddest news of the demise of Shree Anilbhai Patel, Founder President – Ganpat University on February 8, 2018. He was the man who envisioned setting up a world-class education township in North Gujarat Region and lived with a mission of **Social Upliftment through Education** till his last breath. Not only Ganpat University but the entire Gujarat state has indeed lost the **Kohinoor** of the society!

Ganpat University's foundation rests on the strong vision, philanthropic mission, social commitment and determination of its people to serve the society through education. Ganpatbhai Patel, Hon. Patron in Chief has declared the year 2018 a year of transformation on the day of **President Installation Ceremony** to pay tribute to Late Shree Anilbhai Patel. He himself has taken over the responsibility as the 2nd President of the university and committed himself to take this mission forward. During his presidential speech given at the **Installation Ceremony** on March 8, 2018, upon the occasion of **Vidyasilpi Divas** – the birthday of Shree Anilbhai Patel – he mentioned that real **Shradhanjali** (Tribute) to Shree Anilbhai is to multiply this mission by 100 times and working hard to take up the university to the next level. He gives a new vision to the university and has implemented transformative programs in all activities that university is doing by speed and scale with quality at core.

Ganpat University is bestowed with the Best Private University of the Year Award by ASSOCHAM, and the only university from Gujarat to have secured a position in India Today's Best University rankings 2018. Further, the Gujarat Government has conferred the best Placement Provider Award to Ganpat University.

The year 2017-18 has laid a solid foundation and paved a new path by setting up some exemplary initiatives. Introduction of 'Student First' policy has given a new direction to decision-making and implementation processes keeping students at the center and 'Write to DG' has created a hassle-free communication connectivity of all stakeholders to the university management and increased the accountability of all the stakeholders in reciprocation. We have built a ship on the campus to strengthen Marine Engineering program and have endeavored in promoting placement linked skill-based short-term programs approved by Directorate General of Shipping for supporting shipping industries. AXIS BANK has joined the university to train all their employees of all branches of Western India on Ganpat University campus. Other noteworthy initiatives were the agreement signing with Abhyuday Techno-Consultant to promote startups for indigenization of Defense Technology and setting up of CoE of 3D Printing Technology in association with US Institute of 3D Technology, USA.

Stoking up university's efforts to promote innovation among young students, Government of Gujarat has recognised our university as a Start-Up Nodal Centre as well as Nodal Centre under Student Startup and Innovation Policy. More than ONE CRORE rupees of financial support has been extended by

Government of Gujarat to support the identified startups and to create a culture of innovation. As a part of Internationalization of University, GNU has renewed its agreement with Victoria University, Australia for academic and research programs.

The year 2017-18 has taken a stride towards seeking novel avenues of transformation across the university. This is explicit in the stimulating, out-of-the-box research taking place in our labs and in the field. Organisation of ANVESHAN – A Research Convention in Association of AIU and SHODH – A Student Research Convention have provided a great platform and visibility to student research and their mentors' efforts as well as commitment of institute to promote research activities. Team SULIS (Solar Ultraviolet Light Induced Sterilization) from Rutgers University is piloting its project in association with Ganpat University. Student Teams of both the university are working on this cross-border collaborative project in India which will help satiate the need of communities without access to clean water, whether they are in developing countries or recovering from natural disasters. Numerous awards and accolades have been received by the students and faculties at state and national level for research and innovation.

The campus has experienced a lot of enthusiasm, youthfulness and vibrancy by hosting SAUFEST – South Asian Universities Cultural Fest with the support of Association of Indian Universities, wherein more than 300 delegates from 11 countries participated. Installation Ceremony of the 2nd President of Ganpat University, **Vidya Samajotkarsh Divas**, **Vidya Shilpi Divas**, Graduation Certificate Ceremony of Japan India Institute of Manufacturing, Vibrant Gujarat Start-Up Road Show - 2018, 11th Convocation, International Conferences of Faculties of Pharmacy, Management and Science, Convergence 2018, **Shodh**- Student Research Convention, Distinguished Lecture Series, Strong Placement Drives etc. are some of the notable events that took place apart from the many academic events held on the campus.

The report will prove informative enough and provide readers with a useful and overall picture of the performance over the past one year. The report is also a valuable source of information for the community. Finally, I express my sincere most gratitude to the Deans of various Faculties, Principals & Heads of various constituent Colleges/Institutes/Departments/Centres, Members of Annual Report team, all University officers and administrative staff of the Ganpat University for facilitating preparation of this Annual Report for the year 2017-2018.

Dr. Amit Patel  
Chief Editor & Registrar

## Message From The President & Patron-in-Chief

“Your life was a blessing,  
your memory a treasure,  
You are loved beyond words  
and missed beyond measure”

- Shree Ganpat I. Patel

Those who knew Shri Anilbhai Patel, the founding president of Ganpat University, would clearly appreciate the dominating presence of a real human being, with an enormous zest for life, great humour, and tremendous determination. Shri Anilbhai Patel staunchly believed that Education is the only remedy to cure the society of its miseries. I sometimes transiently feel my dear friend Anilbhai's presence, as if he were still alive, standing by my side.

While it is hard to come to terms with the fact that Anilbhai is no more with us, we can at least have some respite from the fact that the university has been set in motion upon the path he would have fondly desired it to be.

The journey throughout the bygone year has once again made its indelible impact by creating pathways for people to achieve success in their lives. The year 2017-18 has indeed shown an incredible growth in our academic as well as extra-curricular activities. We have displayed a reinvigorated confidence and have soared even higher with a deeply ingrained sense of commitment. Everyone needs and deserves opportunities that allow them to fulfil their dreams. Ganpat University has once again played a significant role to assist people in providing a plethora of opportunities - be it becoming self-reliant through programs offered at JJIM or showcasing their dormant potential and succeed with flying colours on platforms like 11th SAUFEST. It is really a testament of the people relentlessly working for the university.

An escalation in global population, social and economic disparity and finite resources at hand call for a new approach to education. Things are getting competitive and education is no exception. New are shaping this world every day. Hence it is in the nick of time that the year of 2018 has been declared as the year of transformation. By adopting to a more sustainable approach, I strongly believe that Ganpat University can wade through the choppy waters of uncertainty and can secure future prosperity, for both its stakeholders and the nation at large.

As the new president of Ganpat University, I intend to resolve myself firmly to execute the responsibility of transforming this university. I am willing to give my 100%. But as the wise adage goes: "If you want to go fast, go alone. If you want to go far, go together. I earnestly wish that we all combine our efforts to fulfil the objectives that have been laid out by our forefathers.

Throughout my career, I have always believed in the same values that constitute our university's identity through its apt logo. Values like **Hard work, Integrity, Sincerity, Leadership, Teamwork and Knowledge, backed by unconditional love and support of my family** have made me what I am today. We all must never lose sight of these values to achieve greater things in life. These are indeed the ethics and morals that reflect our character.

One may wonder as to what has prompted me take up this herculean task? Is there anything left for me to be achieved? What more could one possibly expect from a life as content and successful as mine? Why on earth would I agree to bear such a mammoth responsibility of Presidency? To all these questions, it would suffice to answer that for me, there is something more to this life. This new role will help me give some extra meaning to my own life and make an impact on humanity.

Ultimately, I can look back and say quite cheerfully that I have a legacy.

Ganpat University is truly fortunate to have a team of committed employees who show an incredible resolve every single day to bring university's mission of **Vidyaya Samajotkarsh** to its fruition. Managing the range of activities that Ganpat University undertakes year after year requires prudence, diligence and experience. We have got an exceptional Director General in Prof. (Dr.) Mahendra Sharma and a unique Executive Team led by Dr. Amit Patel, the Registrar of Ganpat University, that continue to ensure a robust emphasis on excellence in everything we do.

It is indeed gladdening to see the name of Ganpat University getting recognised in the nation and abroad. I am equally thankful to the stakeholders for their never-ending assistance and incessant support. I can assert that the virtues like self-discipline, morality and humility taught here will remain deeply entrenched in their character and demeanour. The same values will be a trailblazer for them against all odds in life to emerge victorious.

I also hail the support of my Board Members whose guidance and contribution I revere sincerely. It is through the collective efforts of everyone at Ganpat University, together with our stakeholders, and the celestial blessings of Shri Anilbhai Patel that we will continue to rise and shine today and tomorrow.

**Shree Ganpat I. Patel**

## Message From The Director General

“ Education is the only way  
to transform our country  
into a developed nation ”

- Shree Ganpat I. Patel  
President and Patron-in-Chief, Ganpat University

The year gone by has been **significant** as well as **memorable** for the University.

The University welcomes the new **President** of the University **Shree Ganpat I. Patel**, the man behind this noble initiative 'Ganpat University'. Apart from the rich global experience of building successful organizations around the globe, Shri Ganpatbhai brings strong values to the University, which includes, commitment to excellence, integrity and honesty, an equitable community, academic freedom, intellectual curiosity, and collaboration. These are important. They articulate who we are. After resuming the office of President, he has declared the Year 2018-19 as the 'Year of Transformation'. The University has initiated several developmental and rejuvenation initiatives on all fronts to ensure the evolution of the University to the next level in the achievement of its objectives of the establishment.

The University lost the Founder President **Shree Anil T. Patel**, a man who in the true sense of the word was 'SHILPI' for the pious education mission 'Ganpat University'. The University pays homage to the stalwart personality and promises that the University will continue to be a place of hope, of excitement, of discovery, a place that prides in the joy of inquiry, a campus characterized by a sense of promise and pride, purpose and accomplishment.

Under the vision of the new President, Ganpat University has surpassed the expectations of its stakeholders in the last year itself. In a world where the role of higher education is continually evolving, Ganpat University has taken on the challenge to adapt and grow. The dedication and commitment of our staff have helped us take advantage of the opportunities we have created for ourselves to achieve success in 2017-18 and the years to follow.

Throughout 2017-18, Ganpat University has offered undergraduate, post-graduate and research programs that aim to enhance students' capacity to take advantage of the many opportunities that lie ahead of them. Our strategy has been to place students and education side-by-side with innovation at the core. They are steered by a clear overarching purpose to be a creative force for current and future generations.

It is indeed gladdening at this juncture to reflect upon the accomplishments of our students, alumni and faculty throughout the year. Our efforts in the bygone year and their current outcomes act as a trailblazer in our aim to embed excellence in education in the coming years.

The bygone year posed a challenge to the university which was in fact disguised as a much sought-after opportunity. "Association of Indian Universities - AIU" chose our university to platform 11th South Asian Universities Festival (SAUFEST-18). The entire event was engineered to perfection where the South-Asian nations exhibited a versatile and vibrant spectrum of youthfulness and unstoppable energy.

We have gone to great lengths to ensure that our programs focus on the skills that are most in demand in each market. We are forging newer bonds and enhancing existing ones, including our relationship with foreign institutions to provide ample learning opportunities to our students.

This university has always aspired to produce creative, adaptable graduates with skills like deep discipline, knowledge and broad interpersonal skills, who can work productively across various disciplines and cultures.

Continuing the spree of excellence, this year Ganpat University - Maruti Suzuki Japan India Institute for Manufacturing organized a convocation ceremony of the first graduating batch amid the glorious presence of Mr. Ryoji Noda, Counsel - General of Japan in India and Mr. Kenichi Ayukawa, Managing Director - Maruti Suzuki India Ltd. This initiative aims to train as many as 30000 youngsters in a decade.

We are certain that we will continue to build on our strengths in superbly positioning the University for the next phase of growth and transformation. The whole nation is transforming itself into one of the world's most sustainable countries and Ganpat University — through its people — is a key player in nation's academic overhaul.

I take this opportunity to thank the Patron-in-Chief, President, Board of Governors, Deans, Registrar, Principals, Colleagues and Staff, Students, Alumni and Friends of the University for their work, commitment and support during the year. This indeed lays the foundation for a strong sustainable future. With respect, admiration, and appreciation, I invite all the stakeholders to join in for creating a sustainable future for this great University.

**Dr. Mahendra S. Sharma**

Ganpat University has signed MoU with Abhyuday Techno Economic Consultants Pvt Ltd. to promote Start-ups in Defence Technology on September 13, 2018

Ganpat University has signed MoU with US Institute of 3D Technology (USA) to setup the Learning Centre of Excellence in 3D Printing Technology that provides extended opportunity to the students for a global career in the emerging technology like 3D printing on August 17, 2018

Ganpat University has signed MoU with Safeducate, Safexpress Logistics, Delhi to establish centre of excellence which offers MMS (Logistics & Supply Chain Management) on June 29, 2018

Ganpat University and Faramjilshan Skill Development Ltd. (FISDC) signed an MoU to offer programs in Organic Farming and Water Management on May 18, 2018

Ganpat University has signed an MoU with Kachchua Education Service LLP for various certificate courses, MOOCs etc. on March 15, 2018

## Industry Connect

Offering diversity in excellence

## PROGRAMS OFFERED

The Institute of varied knowledge and expertise.

### Faculty of Pharmacy

- Ph.D. in Pharmacy
- M. Pharm in Pharmaceutics
- M. Pharm in Quality Assurance
- M. Pharm in Pharmacology
- B. Pharm

### Faculty of Engineering & Technology

- Ph.D. in Engineering & Technology
- M. Tech in Mechanical
  - Advanced Manufacturing Systems
  - Computer Aided Design & Computer Aided Manufacturing
- M. Tech in Electronics & Communication Engineering
- M. Tech in Electrical Engineering
- M. Tech in Computer Engineering
- M. Tech in Information Technology
- M. Tech in Electronics & Communication Engineering (VLSI & Embedded Systems)
- M. Tech in Civil Engineering (Construction Engineering & Management)
- B. Tech in Marine Engineering (Residential Degree Course)

- B. Tech in Computer Science & Engineering with IBM

- Big Data and Analytics
- Mobile Applications
- Cloud Based Applications

- B.Tech in Information and Communication Technology

- B. Tech in Electronics & Communication Engineering

- B. Tech in Computer Engineering

- B. Tech in Information Technology

- B. Tech in Biomedical Engineering

- B. Tech in Mechatronics Engineering

- B. Tech in Mechanical Engineering

- B. Tech in Civil Engineering

- B. Tech in Electrical Engineering

- 6 Years Dual Degree Integrated Diploma & Degree in

Electrical Engineering, Mechanical Engineering, Civil Engineering, Computer Engineering, Automobile

- 3 Years Diploma in

Automobile, Civil, ICT, Mechanical, Mechatronics, Information Technology, Petrochemicals Engineering

## Faculty of Management Studies

- Ph.D. in Management
- M.B.A. (General)
- M.B.A. in Agribusiness
- M.B.A. in Pharmaceuticals
- M.B.A. in Financial Services
- M.B.A. in International Business
- M.B.A. in Marketing Management
- Post Graduate Diploma in Milk Production Management
- B.B.A. (General)

## Faculty of Computer Applications

- Ph.D. in Computer Applications
- M.Sc. in Information Technology
- M.Sc. ( IT Infrastructure Management Services)
- M.Sc. Tech. (Mobile Applications)
- M.C.A.
- B.C.A. + M.C.A. (Dual Degree)
- M.Sc. in Computer Applications & Information Technology
- M.Sc. in Information & Communication Technology
- Post Graduate Diploma in E.R.P. System
- B. Sc. + M.Sc. in Computer Applications & Information Technology
- B. Sc. + M.Sc. In Information Technology
- B.Sc.+ M.Sc. in IT (Infrastructure Management Services)
- B.C.A.

## Faculty of Science

- Ph.D. in Science
- M.Sc. in Microbiology
- M.Sc. in Biotechnology
- M.Sc. in Mathematics
- M.Sc. in Physics
- M.Sc. in Organic Chemistry
- B.Sc. in Biotechnology
- B.Sc. in Microbiology
- B.Sc. in Chemistry
- B.Sc. in Physics
- B.Sc. in Mathematics

## Faculty of Social Sciences & Humanities

- Ph.D. in Social Sciences & Humanities
- M.Phil. (Economics, English, Commerce)
- Master of Social Work
- M.Com. (Accountancy/ Statistics/ Business Economics/ Management )
- B.Com. (General)
- B.A. (English)

## Faculty of Architecture, Design & Planning

- Bachelor of Architecture
- Bachelor of Design (Interior Design)

## Faculty of Skill Development

▪ Certificate Course in

- Operation & Maintenance of Road Construction Equipments
- Operation & Maintenance of Hydrostatic Sensor Paver
- Operation & Maintenance of Soil Compactor
- Operation & Maintenance of Tandem Roller
- Operation & Maintenance of Backhoe Loader
- Business Correspondent & Business Facilitator
- Welder
- Mechanic Auto Body Repair
- English for Employability
- English for Employability Level 2
- Fitter
- Mechanic Auto Body Painting
- Mechanic Motor Vehicle & DCM

## New Programs Introduced

Constituent Institute	New Programme	Duration	Seats (In Take)
<b>Faculty of Engineering &amp; Technology</b>			
B. S. Patel College of Polytechnic	Diploma in Petrochemicals	3 years	6

# વિધયા સમાજોત્કર્ષ: દિવસ

૧૨ જાનવરી

## શ્રી ગણપતભાઈ આઈ. પટેલ

માતા પિતા અને મોટાભાઈ પાસેથી ઉદાત્ત માણસ બનવાના સંસ્કાર સાથે એન્જિનિયર બનવાનું સપનું સાકાર કરવા અમેરિકા ગયા. અભ્યાસ પૂરો કરી થોડા વર્ષો નોકરી કરી જાતને ખરાબર ઘડી, પરંતુ ઉદ્યોગ સાહસિક બનવાના ધોડાં ઘરમાં થનગનતાં હતાં. પોતાના નાનકડા વ્યવસાયનો ધરના આંગણેથી જ પ્રારંભ કરી, હજારો લોકોને રોજગારી આપતી ચેરોકી નામની કંપની વિકસાવી. સમૃદ્ધ પણ વતનનું ઋણ ચૂકવવાની ભાવના સાથે શ્રી અનિલભાઈ ને મળવાનું થયું. વિદ્યાદ્વારા સમાજના ઉત્કર્ષનો એમનો સહિયારો સંકલ્પ આજે ગણપત યુનિવર્સિટીના સ્વરૂપે સાકાર થયો છે. અને એટલેજ ગણપત યુનિવર્સિટી બોર્ડ ઓફ ગવર્નર્સ દ્વારા એમના જન્મદિવસને વિધયા સમાજોત્કર્ષ દિવસ તરીકે ઉજવવાનું નક્કી કરાયું છે.

Pujya Sadhu Shree Gyanvatsal Swami, BAPS Swaminarayan Mandir, Atladra, Vadodara delivered a session on Vidya Samajotkarsh Divas on January 12, 2018.

# વિધયા શિલ્પી દિવસ

૦૮ માર્ચ

## શ્રી અનિલભાઈ ટી. પટેલ

વલ્લભ વિધાનગરમાં એન્જિનિયરિંગનું ભણતા હતા ત્યારેજ એક સપનું મનમાં રોપાયું કે પોતાના વતન આનર્ત પ્રદેશની ભૂમિ ઉપર આવું જ એક મોટું વિધાનગર ઊભું કરવું જેમાં ઊચ્ચ શિક્ષણનું આધુનિક જ્ઞાન અપાતું હોય અને એટલેજ અમેરિકામાં માર્ટરના અભ્યાસક્રમ પછી સારી જોબ અને સિટિઝનશીપ બંનેનો ત્યાગ કરી વતન પરત આવ્યા અને શ્રી ગણપતભાઈ અને બીજા દાતા મિત્રોનો સહયોગ મેળવી ગણપત વિધાનગર અને ગણપત યુનિવર્સિટીનું સર્જન સંવર્ધન કર્યું. વિધાના ક્ષેત્રે એક ઉત્તમ શિલ્પ કંડાયું અને એટલેજ ગણપત યુનિવર્સિટી બોર્ડ ઓફ ગવર્નર્સ દ્વારા એમના જન્મદિવસને વિદ્યા શિલ્પી દિવસ તરીકે ઉજવવાનું નક્કી કરાયું છે.

Shri D. Rajgopalan, Former Chief Secretary and former Chief Information Commissioner, Govt. of Gujarat delivered a session on Vidya Shilpi Divas on March 08, 2018.

Amidst culture excellence to new horizon

# ANVESHAN – 2018

**AIU West Zone Student Research Convention - Anveshan – 2018** was organised on 14th and 15th Feb 2018. Around 218 students with their mentors from the west zone states like Gujarat, Rajasthan and Maharashtra have participated with around 140 innovative projects.

**Key Statistics:**

Number of participating states: **3** (Gujarat, Rajasthan and Maharashtra)

Number of participating universities: **37**

Number of registered students: **218**

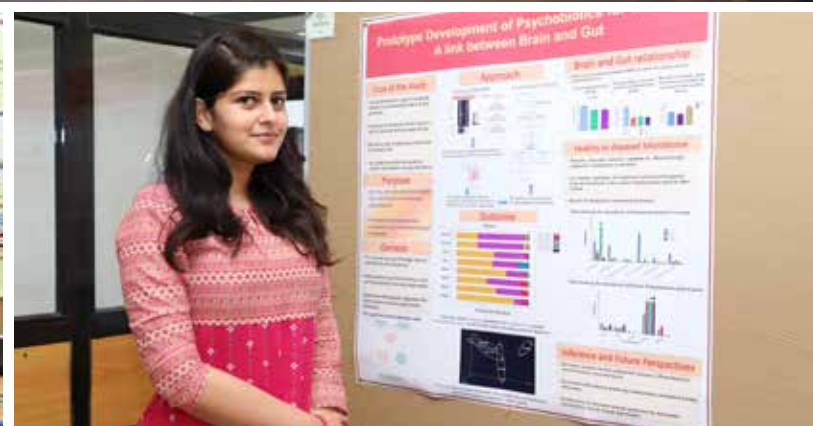

Number of innovative projects: **140** (Gujarat **61**, Rajasthan **16**, Maharashtra **63**)

Number of mentors: **46**

Number of winners: **21**

# SAUFEST

11th SOUTH ASIAN UNIVERSITIES FESTIVAL

02 - 06 March 2018

## Inaugural Ceremony

Diya Lighting  
March 03, 2018

Submerged in a cheerful ambience and amid the gleams of diyas, 11th SAUFEST was embellished and inaugurated on 3rd March, 2018 by the august presence of Honorable Governor of Gujarat Shri O.P. Kohli and in the benign company of luminaries like Shri Vinay Pandya, Executive director, ONGC (Mehsana Asset), Shri Ganpatbhai Patel, Patron-in-Chief and President, Ganpat University, Shri Anandbhai Patel, Vice-President, GNU, Shri Samson David, Jt. Secretary, AIU, Prof. (Dr.) Mahendra Sharma, Director General, GNU, Pro-Vice Chancellor Prof. (Dr.) R. K. Patel, and Dr. Amit Patel, Registrar, GNU

The Chief Guest of the function, Honorable Governor of Gujarat, Shri O. P. Kohli hailed SAUFEST-18 as the pride of Gujarat.

With a ceremonial welcome speech, the Director General, Dr. Mahendra Sharma commenced with shedding light over the importance & role of SAUFEST.

Shri Samson David, Jt. Secretary, AIU lauded Ganpat university as a "happening" University. He added that the youth power gets connected only through smiles, music, dance and art and then transforms into a mighty torrent of young energy.

Shri Vinay Pandya, Executive Director, ONGC (Mehsana Asset) took pride in the fact that ONGC has been instrumental in the successful organization of SAUFEST.

Shri Ganpatbhai Patel, Patron-in-chief and President of Ganpat University gave an uplifting speech and appreciated this event as something to be proud about and to be cherished forever.

Mr. Anand Patel, Vice President, GNU felicitating Shri Vinay Pandya

## *Holi Celebrations*

*Celebration of Indian festival of colours...*

Ganpat University commenced the celebrations of SAUFEST-18 on the morning of 2nd March 2018 in an uplifting spirit on the university premises. The informal but vibrant opening of SAUFEST witnessed the students from India and the other countries drenched in Dhuleti celebrations.

# Procession

*Presenting the ingredients of own cultural*

The key highlight of the inauguration ceremony was the vibrant cultural procession presented by varied countries of South Asia and also from within numerous states across India.

# Performances

*Folk Orchestra and Classical Dance*

Post the inaugural ceremony, on the same day, the ebullient and vibrant performances displayed by the international participants

Meghadhanush Band  
Rock the Night

*Celebrities - Steal the show*

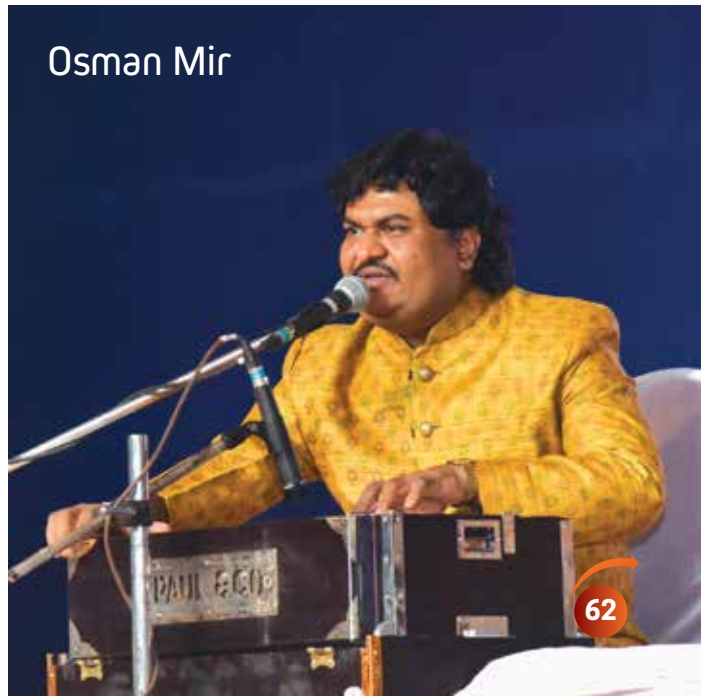

Sugandha Mishra & Anadi Mishra

*Celebrities - Comedy & Live Musical Concert*

Osman Mir

In valedictory function, AIU secretary presented letter of appreciation to Ganpat University Organizing team for taking the SAUFEST to the next level

# Distinguished LECTURE SERIES

A Distinguished Lecture was delivered on **રાષ્ટ્રીય શાયર શ્રી ઝવેરચંદ મેઘાણી: ઘરા ગુર્જરીનુ અણમોલ રતન** By Shree Vasantbhai Gadhavi, Chief Information Commissioner, Gujarat State on August 26, 2017

Institute of Architecture Students Singapore Academic Tour

Excelling to uplift the society

# GANPAT VOLUNTEACHER MOVEMENT (GVM)

Started in 2012, University decided to kick start a unique student movement called Ganpat VolunTeacher Movement (GVM) - a movement which empowers the college students to impart basic education to the kids of the surrounding villages. GVM is a program - not an organization - under which we appeal students to **“spend one day per week for nation building”**. The effort is to empower rural populace by developing a teachable point of view that promotes innovative ways of sharing knowledge and resources.

## Time Frame

Starting on **16th September 2012**, with a small team of 7 Ganpat VolunTeachers (GVTs), GVM placed its initial footsteps in Mulsan village towards the process of Nation building. Within no time, the movement stretched from one to eight villages covering **28** Vaas and imparting knowledge to around **700+** kids with a strong team of **150+** on field GVTs and **200+** Alumni GVTs.

## GVM Activities

Sunday Sessions

Cultural Program

Exposure Visits

સ્પ-શિબિર  
Shibir

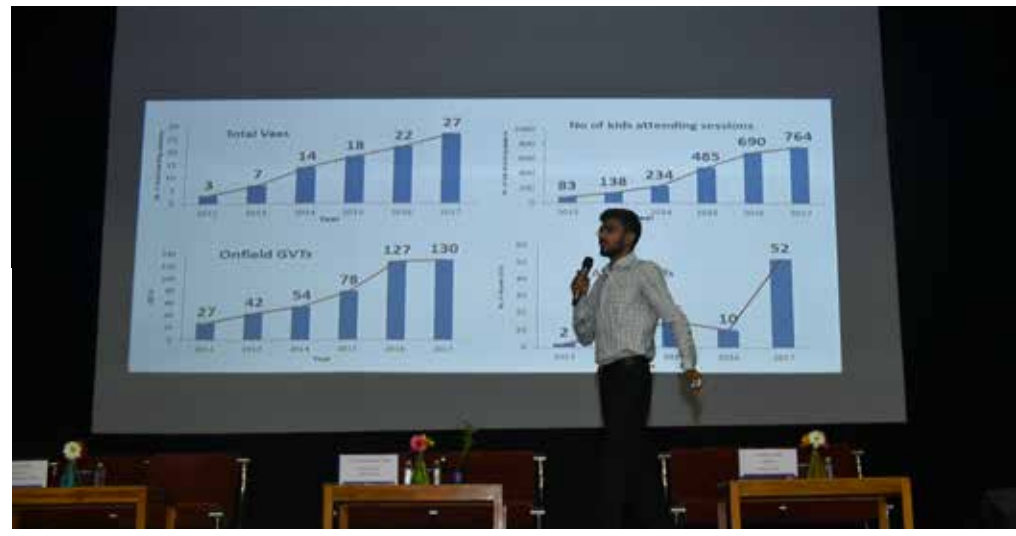

## 5th GVM ANNUAL DAY on September 26, 2017
