Interacting with
Hon'ble Prime Minister of India
Shri Narendra Modi

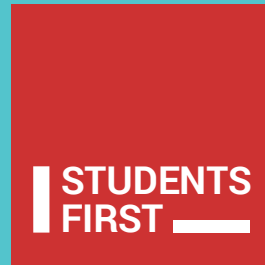

Shree Ganpat I. Patel
(Patron-in-Chief & President of Ganpat University) and
Dr. Mahendra Sharma (Pro Chancellor & Director General of Ganpat University)
interacting with Hon'ble Prime Minister of India Shri Narendra Modi
on 00/00/2019

VISION

- “ It shall be the constant endeavour of Ganpat University to meet the education needs of the youth in the areas of professional studies and provide state-of-the art learning opportunities along with inculcation of values of commitment and uprightness ”

MISSION

- “ Seek, search and offer programs that lead to symbiotic emergence of ‘academic excellence’ and ‘industrial relevance’ in education and research ”

QUALITY STATEMENT

- “ It shall be the constant endeavour of the University to deliver global standards of excellence in all its core and allied operations and remaining accountable for national values and objectives of establishments through process of self-evaluation and continuous improvement. ”

PREFACE

On the one hand, the year 2017-18 has brought a plethora of landmark activities and some great news like the inauguration of Japan India Institute of Manufacturing-envisioned and inaugurated jointly by the Hon. Prime Minister of India, Shree Narendrabhai Modi and Hon. Prime Minister of Japan, Mr. Shinzo Abe-at Ganpat

University campus established with the support of Maruti Suzuki India Ltd. and Government of Japan, 11th SAUFEST – South Asian Universities Cultural Fest, Best Placement providing University Award in Gujarat by Education Department, Government of Gujarat and the like. Though on the other hand, this steady stream of outstanding achievements was thwarted by the saddest news of the demise of Shree Anilbhai Patel, Founder President – Ganpat University on February 8, 2018. He was the man who envisioned setting up a world-class education township in North Gujarat Region and lived with a mission of Social Upliftment through Education till his last breath. Not only Ganpat University but the entire Gujarat state has indeed lost the Kohinoor of the society!

Ganpat University's foundation rests on the strong vision, philanthropic mission, social commitment and determination of its people to serve the society through education. Ganpatbhai Patel, Hon. Patron in Chief has declared the year 2018 a year of transformation on the day of President Installation Ceremony to pay tribute to Late Shree Anilbhai Patel. He himself has taken over the responsibility as the 2nd President of the university and committed himself to take this mission forward. During his presidential speech given at the Installation Ceremony on March 8, 2018, upon the occasion of Vidyasilpi Divas – the birthday of Shree Anilbhai Patel- he mentioned that real Shradhanjali (Tribute) to Shree Anilbhai is to multiply this mission by 100 times and working hard to take up the university to the next level. He gives a new vision to the university and has implemented transformative programs in all activities that university is doing by speed and scale with quality at core.

Ganpat University is bestowed with the Best Private University of the Year Award by ASSOCHAM, and the only university from Gujarat to have secured a position in India Today's Best University rankings 2018. Further, the Gujarat Government has conferred the best Placement Provider Award to Ganpat University.

The year 2017-18 has laid a solid foundation and paved a new path by setting up some exemplary initiatives. Introduction of 'Student First' policy has given a new direction to decision-making and implementation processes keeping students at the center and 'Write to DG' has created a hassle-free communication connectivity of all stakeholders to the university management and increased the accountability of all the stakeholders in reciprocation. We have built a ship on the campus to strengthen Marine Engineering program and have endeavored in promoting placement linked skill-based short-term programs approved by Directorate General of Shipping for supporting shipping industries. AXIS BANK has joined the university to train all their employees of all branches of Western India on Ganpat University campus. Other noteworthy initiatives were the agreement signing with Abhyuday Techno-Consultant to promote startups for indigenization of Defense Technology and setting up of CoE of 3D Printing Technology in association with US Institute of 3D Technology, USA.

Stoking up university's efforts to promote innovation among young students, Government of Gujarat has recognised our university as a Start-Up Nodal Centre as well as Nodal Centre under Student Startup and Innovation Policy. More than ONE CRORE rupees of financial support has been extended by Government of Gujarat to support the identified startups and to create a culture of innovation. As a part of Internationalization of University, GNU has renewed its agreement with Victoria University, Australia for academic and research programs.

The year 2017-18 has taken a stride towards seeking novel avenues of transformation across the university. This is explicit in the stimulating, out-of-the-box research taking place in our labs and in the field. Organisation of ANVESHAN – A Research Convention in Association of AIU and SHODH – A Student Research Convention have provided a great platform and visibility to student research and their mentors' efforts as well as commitment of institute to promote research activities. Team SULIS (Solar Ultraviolet Light Induced Sterilization) from Rutgers University is piloting its project in association with Ganpat University. Student Teams of both the university are working on this

cross-border collaborative project in India which will help satiate the need of communities without access to clean water, whether they are in developing countries or recovering from natural disasters. Numerous awards and accolades have been received by the students and faculties at state and national level for research and innovation.

The campus has experienced a lot of enthusiasm, youthfulness and vibrancy by hosting SAUFEST – South Asian Universities Cultural Fest with the support of Association of Indian Universities, wherein more than 300 delegates from 11 countries participated. Installation Ceremony of the 2nd President of Ganpat University, Vidya Samajotkarsh Divas, Vidya Shilpi Divas, Graduation Certificate Ceremony of Japan India Institute of Manufacturing, Vibrant Gujarat Start- Up Road Show - 2018, 11th Convocation, International Conferences of Faculties of Pharmacy, Management and Science, Convergence 2018, Shodh - Student Research Convention, Distinguished Lecture Series, Strong Placement Drives etc. are some of the notable events that took place apart from the many academic events held on the campus.

The report will prove informative enough and provide readers with a useful and overall picture of the performance over the past one year. The report is also a valuable source of information for the community. Finally, I express my sincere most gratitude to the Deans of various Faculties, Principals & Heads of various constituent Colleges / Institutes / Departments / Centres, Members of Annual Report team, all University officers and administrative staff of the Ganpat University for facilitating preparation of this Annual Report for the year 2017-2018.

Message From The President & Patron-in-Chief

Those who knew Shri Anilbhai Patel, the founding president of Ganpat University, would clearly appreciate the dominating presence of a real human being, with an enormous zest for life, great humour, and tremendous determination. Shri Anilbhai Patel staunchly believed that Education is the only remedy to cure the society of its miseries. I sometimes transiently feel my dear friend Anilbhai's presence, as if he were still alive, standing by my side.

While it is hard to come to terms with the fact that Anilbhai is no more with us, we can at least have some respite from the fact that the university has been set in motion upon the path he would have fondly desired it to be.

The journey throughout the bygone year has once again made its indelible impact by creating pathways for people to achieve success in their lives. The year 2017-18 has indeed shown an incredible growth in our academic as well as extra-curricular activities. We have displayed a reinvigorated confidence and have soared even higher with a deeply ingrained sense of commitment. Everyone needs and deserves opportunities that allow them to fulfil their dreams. Ganpat University has once again played a significant role to assist people in providing a plethora of opportunities - be it becoming self-reliant through programs offered at JIIM or showcasing their dormant potential and succeed with flying colours on platforms like 11th SAUFEST. It is really a testament of the people relentlessly working for the university.

An escalation in global population, social and economic disparity and finite resources at hand call for a new approach to education. Things are getting competitive and education is no exception. New are shaping this world every day. Hence it is in the nick of time that the year of 2018 has been declared as the year of transformation. By adopting to a more sustainable approach, I strongly believe that Ganpat University can wade through the choppy waters of uncertainty and can secure future prosperity, for both its stakeholders and the nation at large.

As the new president of Ganpat University, I intend to resolve myself firmly to execute the responsibility of transforming this university. I am willing to give my 100%. But as the wise adage goes: "If you want to go fast, go alone. If you want to go far, go together. I earnestly wish that we all combine our efforts to fulfil the objectives that have been laid out by our forefathers.

Throughout my career, I have always believed in the same values that constitute our university's identity through its apt logo. Values like **Hard work, Integrity, Sincerity, Leadership, Teamwork and Knowledge, backed by unconditional love and support of my family** have made me what I am today. We all must never lose sight of these values to achieve greater things in life. These are indeed the ethics and morals that reflect our character.

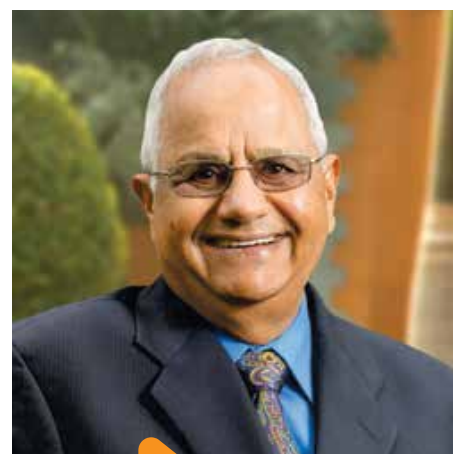

One may wonder as to what has prompted me take up this herculean task? Is there anything left for me to be achieved? What more could one possibly expect from a life as content and successful as mine? Why on earth would I agree to bear such a mammoth responsibility of Presidency? To all these questions, it would suffice to answer that for me, there is something more to this life. This new role will help me give some extra meaning to my own life and make an impact on humanity.

Ultimately, I can look back and say quite cheerfully that I have a legacy.

Ganpat University is truly fortunate to have a team of committed employees who show an incredible resolve every single day to bring university's mission of **Vidyaya Samajotkarsh** to its fruition. Managing the range of activities that Ganpat University undertakes year after year requires prudence, diligence and experience. We have got an exceptional Director General in Prof. (Dr.) Mahendra Sharma and a unique Executive Team led by Dr. Amit Patel, the Registrar of Ganpat University, that continue to ensure a robust emphasis on excellence in everything we do.

It is indeed gladdening to see the name of Ganpat University getting recognised in the nation and abroad. I am equally thankful to the stakeholders for their never-ending assistance and incessant support. I can assert that the virtues like self-discipline, morality and humility taught here will remain deeply entrenched in their character and demeanour. The same values will be a trailblazer for them against all odds in life to emerge victorious.

I also hail the support of my Board Members whose guidance and contribution I revere sincerely. It is through the collective efforts of everyone at Ganpat University, together with our stakeholders, and the celestial blessings of Shri Anilbhai Patel that we will continue to rise and shine today and tomorrow.

*Your life was a blessing,
your memory a treasure,
You are loved beyond
words and missed
beyond measure*

- Shree Ganpat I. Patel

Message From The Director General

The year gone by has been **significant** as well as **memorable** for the University.

building successful organizations around the globe, Shree Ganpatbhai brings strong values to the University, which includes, commitment to excellence, integrity and honesty, an equitable community, academic freedom, intellectual curiosity, and collaboration. These are important. They articulate who we are. After resuming the office of President, he has declared the Year 2018-19 as the 'Year of Transformation'. The University has initiated several developmental and rejuvenation initiatives on all fronts to ensure the evolution of the University to the next level in the achievement of its objectives of the establishment.

The University welcomes the new **President** of the University **Shree Ganpat I. Patel**, the man behind this noble initiative 'Ganpat University'. Apart from the rich global experience of

The University lost the Founder President **Shree Anil T. Patel**, a man who in the true sense of the word was 'SHILPI' for the pious education mission 'Ganpat University'. The University pays homage to the stalwart personality and promises that the University will continue to be a place of hope, of excitement, of discovery, a place that prides in the joy of inquiry, a campus characterized by a sense of promise and pride, purpose and accomplishment.

Under the vision of the new President, Ganpat University has surpassed the expectations of its stakeholders in the last year itself. In a world where the role of higher education is continually evolving, Ganpat University has taken on the challenge to adapt and grow. The dedication and commitment of our staff have helped us take advantage of the opportunities we have created for ourselves to achieve success in 2017-18 and the years to follow.

Throughout 2017-18, Ganpat University has offered undergraduate, post-graduate and research programs that aim to enhance students' capacity to take advantage of the many opportunities that lie ahead of them. Our strategy has been to place students and education side-by-side with innovation at the core. They are steered by a clear overarching purpose to be a creative force for current and future generations.

It is indeed gladdening at this juncture to reflect upon the accomplishments of our students, alumni and faculty throughout the year. Our efforts in the bygone year and their current outcomes act as a trailblazer in our aim to embed excellence in education in the coming years.

The bygone year posed a challenge to the university which was in fact disguised as a much sought-after opportunity. "Association of Indian Universities – AIU" chose our university to platform 11th South Asian Universities Festival (SAUFEST-18). The entire event was engineered to perfection where the South-Asian nations exhibited a versatile and vibrant spectrum of youthfulness and unstoppable energy.

We have gone to great lengths to ensure that our programs focus on the skills that are most in demand in each market. We are forging newer bonds and enhancing existing ones, including our relationship with foreign institutions to provide ample learning opportunities to our students.

This university has always aspired to produce creative, adaptable graduates with skills like deep discipline, knowledge and broad interpersonal skills, who can work productively across various disciplines and cultures.

Continuing the spree of excellence, this year Ganpat University - Maruti Suzuki Japan India Institute for Manufacturing organized a convocation ceremony of the first graduating batch amid the glorious presence of Mr. Ryoji Noda, Counsel - General of Japan in India and Mr. Kenichi Ayukawa, Managing Director - Maruti Suzuki India Ltd. This initiative aims to train as many as 30000 youngsters in a decade.

We are certain that we will continue to build on our strengths in superbly positioning the University for the next phase of growth and transformation. The whole nation is transforming itself into one of the world's most sustainable countries and Ganpat University — through its people — is a key player in nation's academic overhaul.

I take this opportunity to thank the Patron-in-Chief, President, Board of Governors, Deans, Registrar, Principals, Colleagues and Staff, Students, Alumni and Friends of the University for their work, commitment and support during the year. This indeed lays the foundation for a strong sustainable future. With respect, admiration, and appreciation, I invite all the stakeholders to join in for creating a sustainable future for this great University.

Dr. Mahendra S. Sharma

Awards and Achievements

NOCTURNAL KICK STOPPER

- Women-led Startup.
- Director-General Awards For Student Achievements
- Supported Under SSIP and raised Fund ForPoC.
- Vibrant Gujarat Startup and Technology Summit 2018 – Idea Stage Winner.
- 2nd Rank GSBTM-BIOTHON-2018 with PoC support of Rs 50,000/-
- 1st rank SODH-2018 @ Ganpat University
- 2nd rank in 8Th ANVESHAN-2018 -National Student Research Convention 2018 organized by AIU India.

HB ANALYZER

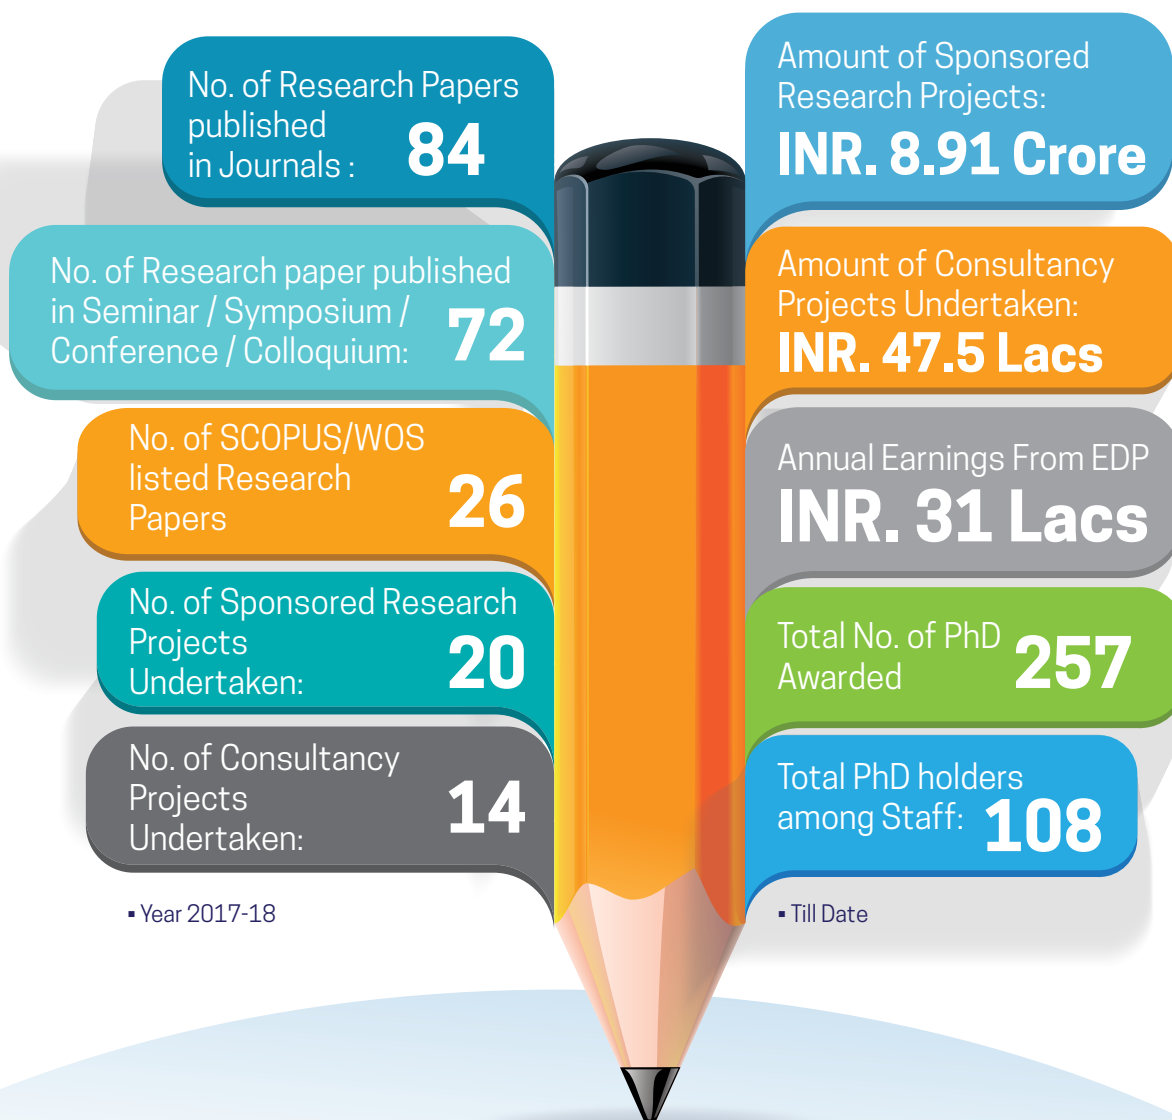

- Women led Startup.
- Director-General Awards For Student Achievements
- Supported Under SSIP and raised Fund ForPoC.
- Vibrant Gujarat Startup and Technology Summit 2018 – Idea Stage Winner.

SSIP PRASHANSHA AWARDS-2019

- Two Students Team selected From Ganpat University for Demo day at EDII
 - ExocarePvt Ltd
 - Hb Analyzer
- Prof Saurabh Dave- Dean Students Startup & Incubation Centre has selected as Best Mentor in Gujarat.

GcEMP2k19

11th International Conference in Emerging Management Perspectives, Practices and Research Trends on **Sustainable Development and Growth** during January 4-5, 2019

Inauguration Ceremony of the Conference by Padmashri Dr. Vijaykumar Shah- Eminent Social Activist for Sustainable livelihood in Maharashtra, and Padmashri Kartikeya Sarabhai- Founder and Director, Centre for Environment Education

Conference Stats:

- 67 Full Papers Presented
- 10 Doctoral Thesis
- 8 Parallel Tracks
- 5 Best Research Paper Awards
- 1 Best PhD Thesis Award

SHODH-GNU Student Research Convention 2018

Organized by GNU-Centre for Advanced Research Studies held on October 26-27, 2018

Agricultural, Basic Sciences, Engineering & Technology, Health Sciences, Allied Subjects, Pharmacy, Nutrition and Social Sciences, Humanities, Commerce, Law

Number of Project registered:	186
Number of participations:	458
Number of faculty mentors:	110
Number of Institutes:	14
Number of Students who are first rank winners:	12

**Dr. R.C. Upadhyay,
Principal Scientist,
Directorate of
Mushroom research,
Himachal Pradesh
delivered the Key
Note session**

INTERNATIONAL FACULTY EXPOSURE PROGRAM

18 faculties of Ganpat University underwent **International Faculty Exposure Program (iFEP)** at London, UK in collaboration with British Deputy High Commission during May 18-28, 2019

Centre for Entrepreneurship from its inception has sensitized 800 students from inception through sundry of initiatives including Accelerator Training Program, Awareness Campaigns, Expert Talks, Development Program, Special Programs for Tribal Sector, and Entrepreneurship 101 Program across the University.

P Pradip Kumar delivered session on Idea Validation on September 8, 2019

MoUs

Ganpat University has signed MoU with Lincoln University, California, USA on November 01, 2018

Ganpat University has signed MoU Confederation of Indian Industry (CII) on December 22, 2018

Ganpat University has signed MoU with Bosch India Foundation on January 12, 2019

Ganpat University has signed MoU with University College London (UCL) on March 06, 2019

Ganpat University has signed MoU with Entco Software India Pvt. Ltd. (Micro Focus) on March 29, 2019

Ganpat University has signed MoU with EC Council University on June 11, 2019

Ganpat University has signed MoU with Abhyuday Techno Economic Consultants Private Limited. on July 29, 2019

ANVESHAN 2018

National Student Research
Convention - Anveshan - 2018

AIU (Association of Indian Universities) National Student Research Convention - Anveshan - 2018 was organised on 12, 13 and 14 March 2019. Winners of Zonal level Anveshan from various Zones of India such as, West Zone, North Zone, South Zone, Central Zone and East Zone have participated with around 65 innovative projects.

Number of participating
States: **18**

Number of participating
Universities: **41**

વિધયા સમાજોત્કર્ષ: દિવસ

૧૨ જાનવરી

શ્રી ગણપતભાઈ આઈ. પટેલ

માતા પિતા અને મોટાભાઈ પાસેથી ઉદાત્ત માણસ બનવાના સંસ્કાર સાથે એન્જિનિયર બનવાનું સપનું સાકાર કરવા અમેરિકા ગયા. અભ્યાસ પૂરો કરી થોડા વર્ષો નોકરી કરી જાતને ખરાબર ઘડી, પરંતુ ઉદ્યોગ સાહસિક બનવાના ઘોડાં ધરમાં થનગનતાં હતાં. પોતાના નાનકડા વ્યવસાયનો ધરના આંગણેથી જ પ્રારંભ કરી, હજારો લોકોને રોજગારી આપતી ચેરોકી નામની કંપની વિકસાવી. સમૃદ્ધ પણ વતનનું શ્રદ્ધા ચૂકવવાની ભાવના સાથે શ્રી અનિલભાઈ ને મળવાનું થયું. વિદ્યાદ્વારા સમાજના ઉત્કર્ષનો એમનો સહિયારો સંકલ્પ આજે ગણપત યુનિવર્સિટીના સ્વરૂપે સાકાર થયો છે. અને એટલેજ ગણપત યુનિવર્સિટી બોર્ડ ઓફ ગવર્નર્સ દ્વારા એમના જન્મદિવસને વિધયા સમાજોત્કર્ષ દિવસ તરીકે ઉજવવાનું નક્કી કરાયું છે.

Shree B. S. Patel, Principal Donor, Ganpat University- B. S. Patel Polytechnic

Shree P. K. Laheri, IAS, Former Chief Secretary, Government of Gujarat

વિધયા શિલ્પી દિવસ

૦૮ માર્ચ

શ્રી અનિલભાઈ ટી. પટેલ

વલ્લભ વિધાનગરમાં એન્જિનિયરિંગનું ભણતા હતા ત્યારેજ એક સપનું મનમાં રોપાયું કે પોતાના વતન આનર્ત પ્રદેશની ભૂમિ ઉપર આવું જ એક મોટું વિધાનગર ઊભું કરવું જેમાં ઊચ્ચ શિક્ષણનું આધુનિક જ્ઞાન અપાતું હોય અને એટલેજ અમેરિકામા માર્ટરના અભ્યાસક્રમ પછી સારી જોબ અને સિટિઝનશીપ બંનેનો ત્યાગ કરી વતન પરત આવ્યા અને શ્રી ગણપતભાઈ અને બીજા દાતા મિત્રોનો સહયોગ મેળવી ગણપત વિધાનગર અને ગણપત યુનિવર્સિટીનું સર્જન સંવર્ધન કર્યું. વિધાના ક્ષેત્રે એક ઉત્તમ શિલ્પ કંડાયું અને એટલેજ ગણપત યુનિવર્સિટી બોર્ડ ઓફ ગવર્નર્સ દ્વારા એમના જન્મદિવસને વિદ્યા શિલ્પી દિવસ તરીકે ઉજવવાનું નક્કી કરાયું છે.

Dr. J. M. Vyas

DISTINGUISH LECTURE SERIES

Distinguish Lecture Expert talk

A Distinguished Lecture was delivered on “અટલજી: સમગ્ર જીવન યાત્રા” By Padmashri Vishnubhai Pandya, President, Gujarat Sahitya Academy, Gandhinagar on August 31, 2018

A Distinguished Lectures were delivered on “શિક્ષક પાસે સમાજની અપેક્ષા” by Shri. Ratilal Borisagar, “સુપ્રતિષ્ઠિત સાહિત્યકાર - હાસ્યસર્જક અને શિક્ષણવિદ” and “શિક્ષક - વિદ્યાર્થી સંબંધ” by Shri. Mansukh Salla, “સુખ્યાત સાહિત્યકાર અને પ્રમુખ ગુજરાત કેળવણી પરિષદ” on September 05, 2018

ALUMNI MEET

Strengthening the bond with alumnae

The Ganpat University **Alumni meet** was held at **Al Barsha, Dubai** on February 01, 2019

Alumni Meet held at **Houston, Texas, USA** on September 21, 2019

Alumni Meet of Management Students (GEMS 2019) was held at Ahmedabad and hosted Distinguished Alumni of the Year Awards for Entrepreneurship, Academics, Corporate Professional and Social Contribution on March 09, 2019

GUNI WOMEN DEVELOPMENT CELL

GUNI Women Development Cell organized **Legal Awareness Workshop** on an engrossing topic **WOMEN and THE LAW**, supported by Gujarat State Commission for Women on 01.02.2019

An event - **Run for Health** for Women health awareness was organized on 23.01.2019

KEY ACADEMIC INITIATIVES

Year 2018-2019

GUNI Faculty of Engineering & Technology (FoET) organized 2 days training on **Agile Training** from November 28-29, 2018 with association of IBM

Workshop on Design and Advances in **Refrigeration and Air Conditioning Systems** by FoET during February 4-8, 2019

Faculty of Engineering & Technology in association with GUJCOST organised one week Short Term Training Programme on **Advances in Electrical Machines** during June 17-21, 2019

GUNI Faculty of Management Studies organized **Pratibha 2018** – A National Level Summer Project Competition during December 29-30, 2018 that captured presentation of 29 institutions' SIP report across India

GUNI FMS organized **Protsahan 2018-19** - The Management Fest was organized on February 3, 2019 having participants of 638 students in 10 games

2nd National level 6-days workshop on **how to write a publishable research paper?** during November 17-18, December 1-2, January 12-13 by GUNI FMS

GUNI FMA organized **6th National Case writing Workshop** during February 28 – March 1, 2019 having 29 participants from Industry and academia

KEY ACADEMIC INITIATIVES

Year 2018-2019

GUNI Faculty of Pharmacy in association with GUJCOST organised 2 days national seminar on **Current Trends in Drug Delivery of Phytoconstituents** during July 12-13, 2019

GUJCOST sponsored 2 days national seminar on Recent Advances in **Parenteral Drug Delivery Systems & Technology** organized by GUNI Faculty of Pharmacy on February 20-21 February 2019 having presentations of 87 posters

Workshop on **Hands on Training on Analytical Techniques Spectroscopy & Chromatography Series II** during February 14-14, 2019 by GUNI FoP

GUNI Faculty of Pharmacy in association with GUJCOST, DST organised Two Days National Seminar on **Role of QbD-DoE in Pharmaceutical Product Development** during September 28-29, 2018 with a participation of 100 delegates

GUNI Faculty of **Architecture, Design and Planning** organized Relative Study Program 2019 during December 7 to December 14 at Varanasi to enrich the learning of 60 students of Architecture

KEY ACADEMIC INITIATIVES

Year 2018-2019

GUNI Faculty of Computer Applications organized 1 day workshop on **Web Designing using HTML5 and Java Script for Beginners** on October 5, 2018

3 Days Workshop on **FOSSEE Basic Programming using Python** was organized by GUNI FCA during October 10-12, 2018

One day workshop on **Grow with Google** was organized by GUNI FCA on February 26, 2019

GUNI Faculty of Science organized **Workshop on Quantum Mechanics: Theory to Simulation** on December 20, 2018

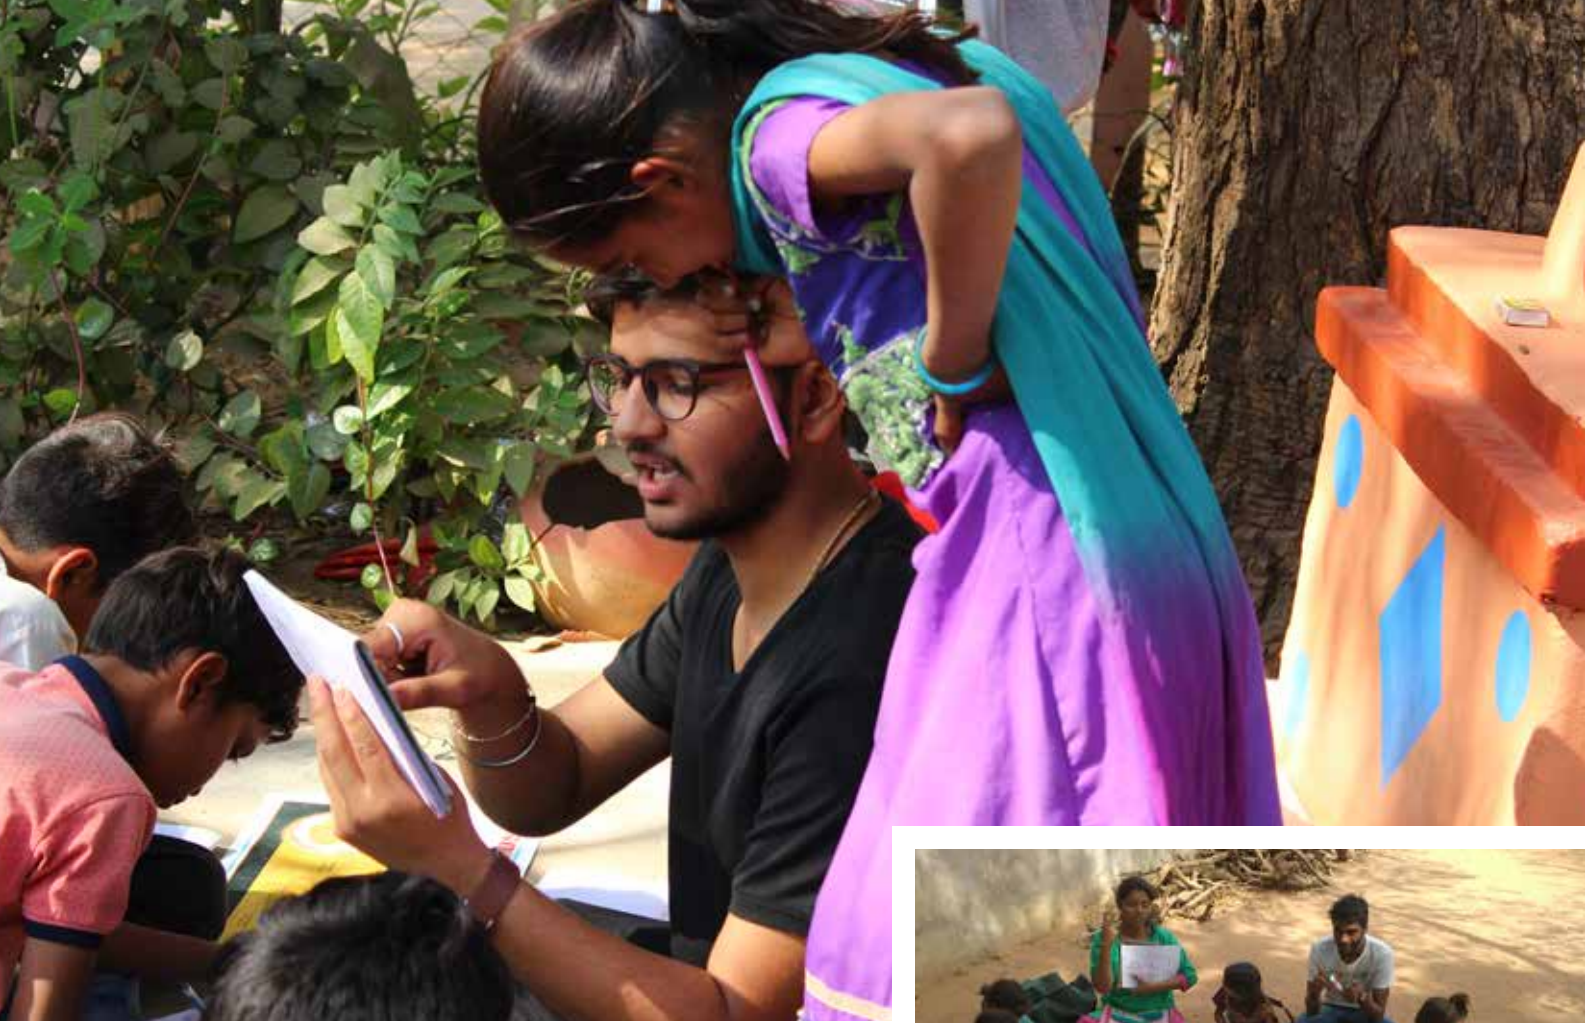

Ganpat University SciTech Fest - 2019 on February 28, 2019

GANPAT VOLUNTEACHER MOVEMENT (GVM)

Ganpat VolunTeacher Movement (GVM) is a movement which empowers the college students to impart basic education to the kids of the surrounding villages. The movement is promoted with the vision to **enlighten the life of kids** and **preparing the Socially Responsible Citizens** of the nation. GVM is a program - not an organization - under which we appeal students to “spend one day per week for nation building”. The effort is to empower rural populace by developing a teachable point of view that promotes innovative ways of sharing knowledge and resources. GVM also fulfils **United Nations (UN) SDG 4-Quality Education**.

Starting on 16th September 2012, with a small team of 7 Ganpat Volun Teachers (GVTs), GVM placed its initial footsteps in Mulsan village towards the process of Nation building. Within no time, the movement stretched from one to **Nine Villages** (viz. Mulsan, Gilosan, Nugar, Lanva, Dharpuri, Rampura, Dharusana, Bhunav and Saduthala) covering **29 Vaas** and imparting knowledge to around **1100+ kids** with a strong team of **150+ on field GVTs** and **200+ Alumni GVTs**.

VolunTeaching with GVM gave me the opportunity to meet so many interesting, intelligent and kind people – the GVM Family, Mentors & the kids where all brilliance to be around and I learned a lot from my conversations with them. I think this was overall my favorite aspect of my time VolunTeaching.

Hemaxi Kathrotia, Rampura GVT

Every Sunday, I wait breathlessly to meet and talk to Didi-Bhaiya coming from Ganpat University. They always get me every word and guide me whenever I ask for them. Sometimes, I felt that GVM's Didi-Bhaiya know me more than my own parents.

Sarthak, Std. 9, Gilosan Kid:

GANPAT VOLUNTEACHER MOVEMENT (GVM)

Students of Ganpat University coming into Lanva village to improve village kid education standards by acting as VolunTeacher. Every Sunday, they are passionate to share knowledge and values by using games, storytelling, etc. GVM is a satisfied initiative by Ganpat University to improve basic education in rural areas which works parallel to the existing school education system.

Hashmukhbhai, School Principal, Lanva

Ganpat VolunTeacher Movement (GVM) not only impacts on kids but they involve every village person in their process by cultural and sports events. GVMs teach values to them and guide them to live a better life with a good career. GVM brings positive changes in the whole village. **Mannu bhai Desai, Sarpanch, Dharusana**

6TH GVM ANNUAL DAY

On October 25, 2018

Prof. Virendra Kumar Vijay (IIT, Delhi) and **Dr. Giraben Patel, Cancer Specialist, USA** encouraged all the GVTs

CO-CREATING THE VALUE IN EDUCATION

Acknowledging students and staff

GANPAT I. PATEL

Recipient of one of the Highest Civilian Honour Padma Shri for his contribution in the field of Education through Ganpat University.

Thank You letter

Date: 10/10/2019

Dear Ganpat University Family Members,

How do I express my gratitude to you? Words fail me as I try to put into words the depth of my emotions.

My heart is brimming with deep gratitude that you came out in support of the noble initiative of the Ganpat University to create a 'pool of funds' to facilitate the education of underprivileged students by generously contributing your one day salary. I value your contribution with all my heart and deem it priceless. Your eagerness to create educational opportunities for countless children who otherwise are doomed to a life of poverty and illiteracy is commendable. The mere thought of your generous contribution brings words of Marcel Proust to my mind- "Let us be grateful to the people who make us happy. They are the charming gardeners who make our souls blossom." As my soul blossoms with happiness and contentment, you are a source of this happiness. I am ever so grateful to you-precious member of my Ganpat University Family.

Little drops of water make a mighty ocean. Your contribution in the form of one day salary is the 'drop' which will go towards making a mighty ocean. I am able to visualize an ocean of educational and learning opportunities for our less fortunate children. Every fiber of my being delights at the prospect of that. Your contribution is priceless indeed. It holds the seed of shaping the lives of countless less fortunate children of our society and I also promise to support the matching fund every year from my side.

Our University stands tall on the strong pillars of our uncompromising principles and strong values. We espouse the role of education in transforming the society and nation building. This initiative brings us a step closer to realizing the mission of creating an empowered society of educated individuals. Let poverty prevent no child from pursuing education and embarking on a lifelong quest of knowledge. My heart goes out to all those children who are forced by their circumstances to toil from day to night to earn a humble meal. They hold a 'spade' and not a 'pen' in their hands. Let us put 'a pen and a book' in their hands and set them on the path of education and learning. I urge you to see this dream with me, and pledge our commitment to make it a reality with our sustained zeal and tireless efforts. I feel a sense of pride and happiness that the entire Ganpat University stand united and committed to the noble mission of transforming society through education.

Your faith and support drives me forward and renews me. Together drop by drop, we will surely make a mighty ocean. One day, when we will look back on the journey of our lives, the smiling faces of these children will warm our hearts in the winter of our old age. There is no better joy in life than joy of giving smile. It is a wonderful way to live your life. It does give you a special meaning of your own life also and I can't thank you enough.

Sincerely,
Ganpatbhair Patel (Dada)

GANPAT I. PATEL

Recipient of one of the Highest Civilian Honour Padma Shri for his contribution in the field of Education through Ganpat University.

Welcome Letter

Dear Student:

Congratulations!

I want to welcome you to Ganpat University (GNU). You are about to embark on one of the most exciting journeys of your life and Ganpat University is committed to making it a meaningful, exciting and enjoyable experience.

Thank you for putting trust into Ganpat University. The years that I spent in college had the biggest impact in my life and many of the friends that I made during those years are still a part of my life today. I am sure yours will be no different. Years later I hope you will look upon these years fondly and as a period of significant personal and academic growth.

We know that you came to GNU for an excellent education. We believe that classroom education is essential, but we also believe that GNU offers opportunities for growth outside the classroom. The GNU logo has a deep meaning behind it. The little circle in the logo represents the student and petals are our values. These values are knowledge, leadership, integrity, hard work, sincerity and teamwork. We believe these are important qualities to build character and a value system to last your lifetime. We hope each of you embraces these values during your time at GNU.

This beautiful lush green and clean campus is ideal for in class and out of class education. Take pride in it and strive to maintain this environment. This campus belongs to you, the student. Please let it be home, let your classmates become family, and take advantage of everything offered to you here. I encourage you to learn time management skills, including time for fun.

The world is a challenging place today, with technologies and changes occurring more rapidly than ever. During the next four years there will be breakthroughs that make several technologies obsolete and several new technologies you will learn. This will be a theme for your generation. You will need to learn how to adapt to these changes. We hope GNU is an environment where you will learn those skills.

I want to welcome you again. Please know, you have my support, my hopes for success and my belief that your time at GNU will prepare you well for the years to come and the world beyond.

Sincerely,
Ganpatbhair Patel (Dada)
