OUR STUDENTS, OUR PRIDE!

DIRECTOR GENERAL AWARD
Student Achievements

RUPEES TEN THOUSAND ONLY

₹ 10,000/-

#StudentsFirst

" Supporting students in developing the knowledge rigour through student-centricity approach that focuses on enhancing students persona through state-of-the-art teaching pedagogy along with practical hands-on-training. "

Director General Award for Student Achievements

DG Awards are given to outstanding students in recognition of their academic excellence together with exceptional achievements in Academics, Research, Sports, Innovation, Start-ups, and Community Service etc.

Practical
Exposure
(Hands-on Learning)

Possibilities are a feature of the future of youth. It is the responsibility of committed and visionary leaders to enable and empower the young minds to explore, engage, evolve and excel to achieve their best. Ganpat University has been a place that's been continuously opening up possibilities for the learners.

Most preferred choice for quality higher education

Conferred a "STATUTORY UNIVERSITY" status by Government of Gujarat and recognized by UGC. Ganpat University offers well-diversified undergraduate and postgraduate programmes in technical and professional disciplines. Spacious buildings, excellent infrastructure, rich resources, talented faculty and insistence on quality are some of the contributing factors that have enabled Ganpat University to be the MOST PREFERRED CHOICE and a reputed place for acquiring quality & industry-linked higher education.

> The University aspires to become the first Stanford - like University of India.

Shri Ganpat I. Patel
President & Patron-in-Chief
Ganpat University, INDIA

Life Philosophy and Contribution of
Shri Ganpat I. Patel

Ganpat University is a reputed "Socially Responsible University" with 100% Philanthropic Values, originating from its Patron-in-Chief & President along with members of the Board and all the Stakeholders, has kept "Students First Character Must" as a central approach in all the decisions. Several Awards bestowed on the University by Government, Industry Associations, Media Houses, Social Organizations and many more, speaks about the achievements and quality work done by the University, which is measured by success of Students, Staff and Alumni in Career and Life, year on year.

This "Program Guide" will present the true information about the University, its Activities, Achievements, Courses and Future Road map. We take the opportunity to invite the Parents and aspiring Students to benefit from quality education opportunities at Ganpat University.

We are different!

Dr. Mahendra Sharma
Pro Chancellor & Director General (Vice Chancellor)

> It is a job of responsibility and pious commitment to enlighten human lives.

Vision

It shall be the constant endeavour of Ganpat University to meet the education needs of the youth in the areas of professional studies and provide state-of-the-art learning opportunities along with inculcation of values of commitment and uprightness.
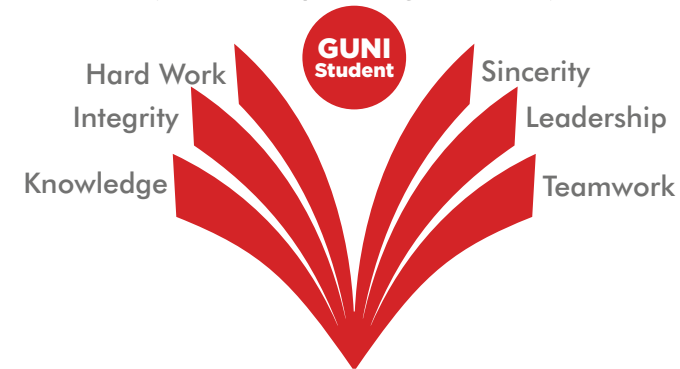

Mission

Seek, search and offer programs that lead to symbiotic emergence of 'academic excellence' and 'industrial relevance' in education and research.

Quality Statement

It shall be the constant endeavour of the University to deliver global standards of excellence in all its core and allied operations and remaining accountable for national values and objectives of establishment through process of self-evaluation and continuous improvement.

Initiatives to Holistic Development

Centre for Advanced Research Studies

- Promotes excellence in research in higher education;
- Gives financial support for attending national and international conferences / seminars / workshops, etc;
- Organizes short term training programs and workshops and promotes publication of research outcomes in good quality research journals;
- Motivates Faculty members and students to apply for funding from government and non-government organizations.

Centre for Continuing Education

With an aim of providing an unique learning platform for the students of Ganpat University to attain additional skills (other than the curricular), the University has taken an initiative to offer the interest-based, value-based and skill-based additional and non-credit courses termed as the Continuing Education Units (CEUs).

Centre for Entrepreneurship

To ignite the spirit of entrepreneurship across the University and offer a basket of business opportunities across all verticals of industry and to offer an intimate entrepreneurial ecosystem for innovation-driven entrepreneurs at Ganpat University.

About Faculty

Faculty of Engineering & Technology prepares the students to become Engineers who can be leaders in their profession with vision, zeal, passion, confidence and with excellent knowledge and necessary skills to succeed. The faculty has taken pioneering initiatives to offer industry-focused Diploma, Under Graduate, Post Graduate and Ph.D Programmes.

List of Institutes

U. V. Patel College of Engineering (GUNI-UVPCE)

Institute of Computer Technology (GUNI-ICT)

B. S. Patel Polytechnic (GUNI-BSPP)

Institute of Technology (GUNI-IOT)

Pioneering Initiatives

- B.Tech. in Marine Engineering approved by Directorate General of Shipping (Ministry of Shipping), Govt. of India.
- Full-fledged Ship-in-Campus and Engine Simulator for in-house practical and hands on training for Marine Engineering.
- Offering unique pre sea courses like G.P. Rating, GME Course, Electro Technical Officer (ETO) & other D.G. shipping approved courses.
- B. Tech (Computer Science & Business System) in collaboration with TCS
- B.Tech (CSE) in Cloud-Based Applications, Big Data and Analytics and Cyber Security in active collaboration with IBM.
- 6-years dual-degree Diploma-Degree Programme.
- Running various Centres of Excellence (CoE) in collaboration with Industries:
    - ✓ Bosch-Rexroth centre for Automation Technology (Hydraulics & Pneumatics system, PLC & Mechatronics)
    - ✓ Bosch Artisan centre for Power tools in Electrical
    - ✓ Micro Focus Software University centre for Internet of Things (IoT), Artificial Intelligence (AI) and Machine Learning
    - ✓ EC-Council University centre for Cyber Security Technologies.
- Various clubs like ROBOCON, SAE BAJA, E-Yantra, Hackathon, Code Seekers, CodeChef Chapter, Google Developer Club, National Biomedical Society, INNOV8, Tinker Club, Aakruti performing extra ordinary in National / International competitions.
- Various chapters like IEEE, CSI, ISTE, ISA
- The Faculty under the banner of U. V. Patel College of Engineering (UVPCE), established in 1997 with the approval of AICTE, has emerged as a premier self-financed Engineering Institute. The Institute offers programs in specialized fields such as Marine, Biomedical and Mechatronics in addition to various undergraduate, postgraduate and Ph.D programmes.
- B. S. Patel Polytechnic, established in 1999 with approval of AICTE, is the first self-financed Engineering Institute in North Gujarat, imparting High-tech Diploma Courses in Engineering.

Key Achievements

U. V. Patel College of Engineering has been awarded for Excellence in Research Activities for betterment of Education, Society and Nation by Government of Gujarat at Grand Education Fair on 2nd February, 2018.

Bestowed a Diamond Award under the category 'Best Industry-Academia Initiative by Academic Institute' in the 8th GESIA Annual Awards - 2015 held on 13th March 2015 at Ahmedabad as a recognition of an active association with eInfochips.

About Department

Department of Marine Engineering and Maritime studies lies within the faculty of Engineering and Technology

The Diverse Marine Programs are coordinated by U.V.Patel College of Engineering under the consortium of Ganpat Univesity.

Equipped with the following to give hands on practical training

Ship In Campus with all running machinery

Actual Bridge with all Navigational Equipments

Full Fledged 3 – D Engine Room Simulator

Steering Simulator

Best in Class Fire Fighting Mock Up for hands on Fire Fighting Training

Actual Life Boat station with Life Boat Davit and Boat for hands on training of launching.

Olympic Size swimming pool for practical training of Survival at Sea

Pioneering Initiatives

- Pioneer in B.Tech (Marine Engineering) and B.Sc. (Nautical Science) duly approved by Directorate General of Shipping, Govt. of India.
- **Graded A-1 (Outstanding) by D. G. Shipping, Govt. of India since Inception.**
- Institute equipped with Ship – In – Campus, Bridge and 3-D Full Mission Engine room Simulator to impart hands on practical knowledge and skills to the students.
- Other D. G. Shipping approved courses run under the banner of U. V. Patel college of Engineering are
  - ✓ B.Tech (Marine Engineering)
  - ✓ B.Sc (Nautical Science)
  - ✓ GME (Graduate Marine Engineering)
  - ✓ G.P Rating (General Purpose Rating)
  - ✓ ETO (Electro – Technical Officer)
  - ✓ STCW Courses (Basic Safety Training + STSDSD)

SHIP-IN-CAMPUS

HAPPENINGS @FSSH

Guest Talk

Eminent personalities from the industry and academics, come and share their experience with students and faculties. Students take this as an opportunity to interact with them enhance their understanding.

V-Epic Events

Outside class room English and personality improvement classes, which are held at FSSH student interact with faculty members to improve their personality and communication skills.

News Letter

FSSH published newsletter which provides detail activities which are carried out during six month period of time.

Industrial Visit

Main aim of industrial visit is to provide an exposure to students about practical working environment. Industrial visit provides opportunity to students to know things through interaction and first hand exposure of on how industries work, how different department/function works. Moreover, its gives exposure from academic point of view.

Synergy

FSSH organized its annual function and farewell to all last year students, which is the final event for the year.

Faculty of Science (FOS)

About Faculty

The Faculty of Science under Ganpat University created in 2006 with a mission to meet the educational needs of the youth in the area of professional studies in sciences and provides learning opportunities. The Faculty of Science is a multidisciplinary hub of pioneering teaching and research. We develop the future leaders of science and actively partner with innovative industries to solve scientific problems. The Faculty of Science comprises various disciplines such as Biotechnology, Biochemistry, Microbiology, Botany, Chemistry, Environment Science, Physics, Mathematics and PGDMLT. The faculty has world class modern infrastructure with well-equipped laboratories having latest instruments, class-rooms with multimedia projectors, computer laboratory with hi-speed internet facilities and rich collection of books, periodicals and journals in library. Students of this faculty are placed in almost all the areas of pure and applied sciences with good package.

List of Institutes

Mehsana Urban Institute of Sciences

Centre for Health & Applied Sciences

Key Achievements

- Mehsana Urban Institute of Sciences has received Econ's flagship award as "Most Upcoming Institutes" conferred by confederation of education excellence, New Delhi in April, 2017.
- Mehsana Urban Institute of Sciences has been selected as Biotechnology Capacity Building Cell (BTCBC) in North Gujarat region by GSBTM, Government of Gujarat in August, 2018.
- Mehsana Urban Institute of Sciences collaborated and signed an MoU with GSBTM, DST, Govt. of Gujarat, GBRC, Gujarat Chemical Sciences for exploring more education opportunities.
- Mehsana Urban Institute of Sciences signed an MOU in 2019-20 with Zydus Cadila Ltd., and Asia Green for research, training and placement activities.
- Mehsana Urban Institute of Sciences organised one of the most prestigious scientific event 'Gujarat Science Congress' GSC 2020 during 8 - 9 February 2020 in association with Gujarat Science Academy.
- CHAS awarded "Emerging Institute Offering Program in Food Technology" by Assocham 2019

WHY to Choose? / Strength of FOS

15 Glorious years
of academic excellence

Excellent
infrastructure and facilities.

Five day per week
Teaching schedule
(9 am to 4 pm)

Regular
Teachers Counselling
with students for their betterment

Industrial visit and
Academic Tours

Digital Classrooms and Library
with more than 3000 titles & 8000 books.

Opportunity to participate in
Academic Activities
such as conference, workshop, symposium, seminar, various competitions etc.

Only institute offering dual degree
(B.Sc + M.Sc) integrated
program with exit option after B.Sc

90%+ placement
through campus recruitment drive

Well-equipped and
State of the art
Laboratories

Installation of
Advanced and
Sophisticated instruments

Experienced and
highly qualified
faculties.

Choice based
Credit system
and Audit courses.

Excellent students
Support Services
and friendly atmosphere.

Celebration of
Days of National repute (National Science Day, National Mathematics Day, Teacher's Day)

About Faculty

FADP aims to provide for its students the finest design education which promotes and expands their creative capacities and sensibilities and establishes the foundation for a creative professional life. FADP is also committed to the belief that one of society's prime responsibilities is toward learning and education in the deepest sense: To nurture one's individual creativity and to give freedom of idea exploration of all students is a serious educational responsibility. FADP, GNU has worked out the studio curriculum in ways that it will understand traditions of design, identifying and understand problems, that will analyze current trends of contemporary practice, the sensitive and urgent issues resulting from rapid urbanization and at the same time balancing with environmental and cultural conservation concerns.

List of Institutes

Institute of Architecture

FADP has Initiated Following Activities

- **Ganpat University Film Association (GUFA) :** To curate and bring selected films/documentaries to improvise student's skills and knowledge with the help of strong media.
- **Guest Lecture Series (FACE2FACE) :** Students look forward to meet and interact with inspiring personalities. IOA would love to be instrumental bringing interesting personalities to your educational campus.
- **Product Information Cell (PIC) :** Technical seminar series to impart more practical knowledge.
- **Ganpat University Exhibition Support System (GUESS) :** IOA invites artist, curator, sculptor, existing ready exhibitions and let student be able to see and learn from Exhibitions.
- **Indian Green Building Council (IGBC) Students' Chapter :** Initiative to seed green ideas in young minds and create awareness & impart knowledge on green buildings

Learning By Doing	Proficiency Development	Strong Industry Network

Academic Collaboration with   SCET Architecture

Why to Choose?

Faculties from **CEPT, MSU, SCET, IPSA.**

International Study Trips - Summer Workshop

Affiliated to The Indian Institute of Architects (IIA) & Institute of Indian Interior Designers (IIID)

1000+books, 14 National / International Journals in Library

Workshops based learning by doing **Pedagogy Design Studios to build Professional and Designing capabilities.**

Only Student Chapter of **Indian Green Building Council** (IGBC) in Gujarat Dedicated Training Placement Support and Mentorship

Film Society **Ganpat University Film Association - GUFA**

Intensive Industry Interaction with regular site visits, **product fairs, manufacturing units** and relevant study tours.

About Faculty

Ganpat University- Faculty of Nursing is in its quest to provide globally competent higher education and build efficient Nursing Care Delivery System. Being part of Health Care Delivery System, we facilitate collaborative academics, research activities and exchange of faculty and student with International Universities and organization.

List of Institutes

Kumud & Bhupesh Institute of Nursing

Pioneering Initiatives

- Flourishing Campus with Specious Hi-Tech Laboratories equipped with imported Manikins.
- Highly Experienced and Competent Faculty members.
- 100 bedded Parent Hospital and 210 beds affiliated hospital with basic Medical and Pathology lab facilities.
- Hi-speed internet facilities and rich collection of periodicals, journals and books.
- Excellent Student Supports Services & ragging free Atmosphere.
- Ganpat University- Kumud and Bhupesh Institute of Nursing in its quest to provide globally competent higher education, build efficient Nursing care delivery system as a part of health care delivery system, Facilitates joint collaborative academics and research activities and exchange of faculty and student with International University and organization like Glendale Community College, 1500 North Verdugo Road Glendale, California

Affiliated Hospital:

- Shri Somabhai J. Sarvajanik Hospital, Paliyad.
- Shankus Medicity - SMC.
- Shelby Hospital, Ahmedabad.
- Sarvajanik Hospital, Gojariya.
- Zydus Hospital, Ahmedabad

Well Equipped laboratories:

Hi tech laboratories with advanced manikins, models and equipment to develop hands on experience of the students.
1. Pre-Clinical Sciences Lab
2. Nutrition Lab
3. Obstetrical and Pediatrics Lab
4. Fundamental and Advance Nursing Skill Lab
5. Community Lab
6. Audio-Visual Lab

About Faculty

Faculty of Agriculture & Allied Sciences is established to educate and grow the skilled professional in field of Agriculture and Allied sciences in the nation. It has established high standards for teaching, research, and related academic services that produce graduates who have the knowledge, skills and ethical judgement to engage in innovative research in the agricultural sciences and agricultural technology that benefits society and ensures a sustainable global economy.

List of Institutes

Kantaben Kashiram Institute of
Agricultural Sciences and Research

Pioneering Initiatives

- Approved by Government of Gujarat
- Well acclaimed lush green campus spreaded over 300 Acer with High tech amenities for Agriculture Research and Development Projects.
- World Class Education and Research facilities
- Fully developed Microforest in 3600+ sq Mt area of the land with 18 units. There are 11000+ trees already planted in the campus with medicinal values.
- Practical training based teaching practices by the expert faculties.
- Excellent Infrastructure for study and practical purpose State of the art Subject Labs, Farm and Demonstration Plots for Soil Science, Agronomy, Horticulture and Plant protection, Plant Breeding and Plant Genetics studies.
- In campus Krishi Vigyan Kendra (KVK) with excellent training facilities.
- Hands on training facility for Start-ups and Agripreneurship opportunities.

Well Equipped Farm and Lab Facilities for Research

- Agronomy
- Horticulture
- Plant Breeding and Genetics
- Soil Sciences and Agro Chemistry
- Plant Pathology
- Entomology
- Agroforestry

About Faculty

Faculty of Skill Development aims to become a growth catalyst for the industries by preparing skilled workforce to meet the increasing need of such skilled workforce in India and abroad. It is also an attempt to achieve the necessary 'scale' and 'speed' in providing a conducive environment for India to meet its skill development goals.

India's first Japan-India Institute for Manufacturing (JIM) to impart training in the best shop floor practices such as Kaizen and Quality Circles based on curriculum developed in Japan.

Key Achievements

- Establishing Skill Development Institutes with University collaboration
- Placement Linked Skill Development Programs under NSQF format, across multiple sectors
- Industry enabled skill development programs, sector specific
- Employment Enhancement Programs
- Finishing Skills Program
- Program Management Services
- Consulting Services for Skill Development initiatives
- Sector Skill Council/University/Industry certifications for Skill Development programs
- Sector Skill Council/University/Industry certifications for Skill Development programs

List of Institutes

Japan-India Institute for Manufacturing

Bosch Centre of Excellence

DDU-GKY (Deen Dayal Upadhyaya Grameen Kaushalya Yojana)

Why to choose?

All the **JIM Trades** would be certified and approved by **NCVT** (National Council of Vocational Training).

Bosch CoE runs CED, Government of Gujarat approved modular **Employable Courses.**

DDU-GKY Government of Gujarat & India approved modular **Employable Courses.**

Extra- Curricular Activities & Value Addition

About Faculty

In today's complex and competitive world only domain expertise may not be enough for success. It is important to support and supplement knowledge and skills of other areas to have a greater cutting edge. These skill based/vocational courses from additional fields add value to develop a more holistic and complete personality. Recognizing this, Ganapt University through its numerous faculty institutions offers 21 enrichment courses without any extra fees. These are available on weekends to be able to bring in external professional experts who would provide excellent value in their sessions.

Courses Name

- **Personality Development**
- **Entrepreneurship Development**
- **Foreign Language - French**
- **Freign Language - German**
- **Dramatics**
- **Film Making**
- **Music**
   (a) Vocal
   (b) Instruments
- **Tablas,**
- **Harmonium (Key Board)**
- **Guitar**
- **Drum Set**
- **Sports**
   (a) Tennis
   (b) Cricket
   (c) Volley Ball
   (d) Foot Ball
- **Photography**
- **Cyber Crime**

- **Adventure**
- **Graphic Design**
- **Design Thinking**
- **Craft Making**
- **Google Apps**
- **Social & Digital Media Marketing**
- **Data Analytics**
- **Professional Report Writing**
- **Sketching**
- **Travel Blog**
- **Video Blog Making**
- **Bamboo Crafts**
- **Sanskrit**
- **Wildlife Conservation Camp**
- **Public Speaking**
- **Calligraphy Cly Modeling**
- **Rammed Earth Construction**
- **Analytical diagramming**

Students Clubs

Shatashva eBAJA

This club helps students of inter discipline to acquire skills to design various components of automotive vehicle, articulate the skills of fabrication and manufacturing to show cashed at international level.

Robocon

This clubs makes students able to develop robot fulfilling international standards with a motto to compete nationally.
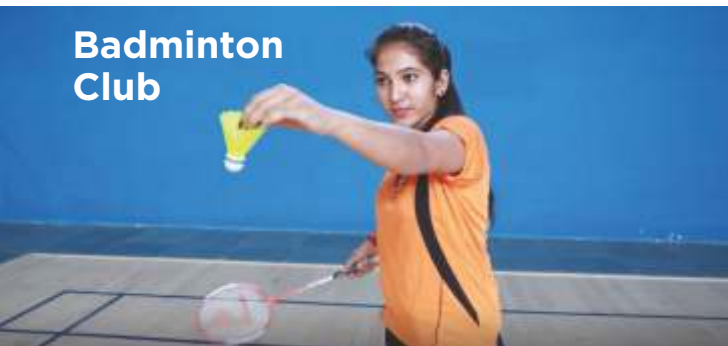

Aeromodelling

This clubs facillitates learning about design and development of RC planes and crafts; and enhance skills in total by imparting confidence of students to compete internationally.

Tennis Club

Entrepreneur Club

Aditya Gadhvi
Paryatan Parv - Gandhi Dhun Program

Sawai Bhatt
Satrang - 2022

> **Education is not preparation for life; education is life itself.**
> - John Dewey

Our Extended FAMILY

Smt. Manjulaben Ganpatbhai Patel Sainik School for Girls (MGPSSG)

Smt. Manjulaben Ganpatbhai Patel Sainik School established in 1999 has to its credit of being called the first Sainik School for Girls in Gujarat State. It provides education to girls students from Std VI to XII (Science Stream). The school is unique of its kind, since it insists the acquisition of certain essential values like self-reliance and self-confidence for living respectable life for girls. The school has following features to create a difference:

- Multitudinous opportunities through providing military orientated training.
- Supports each individual girl to develop her personal strengths and concentration through jogging, yoga and meditation.
- Training for swimming, rifle shooting etc.
- Instils confidence with challenging activities like mountaineering, trekking, rock-climbing etc.
- Provides a professional coaching for Cricket, Volleyball, Football, Hockey, Tennis, Basketball, Chess, etc.

- Develops physical and mental strength, it also provides training like Karate, Judo and Martial-Art which have them to boost confidence.
- NCC as an integral part of the school which equally imbibes social values into the girls while getting ready to complete in a globally connected world.
- It integrates academic & extracurricular activities like Drawing, Music, Dancing, One act ply, Hair-Style making, Rangoli, Best out of waste, Craft, etc. for holistic development.
- House system develops the feeling of loyalty, responsibility of living in a family and practice leadership.
- School provides wholesome vegetarian multi-cuisine nutritious food all the time.
- Access to healthy environment that helps learning in a more pleasant & quick way.

VISION

To provide comprehensive education that will serve to empower girls to develop courage, intellect, and culturally enriched values in order to become a responsible global citizen. MGPSS aims to nurture girls to be "सर्वगुणसम्पन्न" as a result of an inclusive engagement.

MISSION

Educate • Empower • Enlighten

MOTTO

Honour • Discipline • Integrity

School's motto of 'Honour, Discipline, and Integrity' are the virtuous pillars that imbibe holistic development "सर्वगुणसम्पन्न" to develop an ideal global citizens of tomorrow,

Honour: Girls would lead honourable lives and hold their heads high with dignity in society. The society should look up to them as role models.

Discipline: Discipline forms a bedrock of progress in every sphere of life as these girls move forward.

Integrity: With high moral values imparted to them at school, they inculcate the quality of Integrity; thus enriching the lives around them.

GUNI - Krishi Vigyan Kendra (KVK)

The Krishi Vigyan Kendra as a "Farm Science Center" is sponsored by the Indian Council of Agricultural Research (ICAR), New Delhi and is implemented by the Mehsana District Education Foundation, Ganpat University, Mehsana under the jurisdiction of Agricultural Technology Application Research Institutes (ATARIs), Pune, India. The KVK was established in 2005 and having own about 20 hectare of land for the purpose of testing new agricultural technologies. KVK, is an integral part of the National Agricultural Research System (NARS), aims at assessment of location specific technology modules in agriculture and allied enterprises, through technology assessment and demonstrations.

- The mandate of KVK is Technology Assessment and Demonstration for its Application and Capacity Development. To implement the mandate effectively, the following activities are envisaged for each KVK.

- On-farm testing to assess the location specificity of agricultural technologies under various farming systems.

- Frontline demonstrations to establish production potential of technologies on the farmers' fields.

- Capacity development of farmers and extension personnel to update their knowledge and skills on modern agricultural technologies.

- To work as Knowledge and Resource Centre of agricultural technologies for supporting initiatives of public, private and voluntary sector in improving the agricultural economy of the district.

- Provide farm advisories using ICT and other media means on varied subjects of interest to farmers

- In addition, KVKs produce quality technological products (seed, planting material, bio-agents, livestock) and make it available to farmers, organize frontline extension activities, identify and document selected farm innovations and converge with ongoing schemes and programs within the mandate of KVK.

- KVK is awarded in ' A ' rank by National Institute of Labour Economics Research and Development (An Autonomous Institution under NITI Aayog, Government of India). All KVK in nation are categories in A,B,C,D rank according to their performance in mandated activities, infrastructure, impact and agriculture extension service.

Ganpat Vidyalaya School

Ganpat Vidyalaya was established in June, 2001 at Kherva with mere three classes i.e. 5-6-7. It was shifted to Ganpat Vidyanagar very next year; in 2002. Initially, the school was started with an aim of imparting quality education to the wards of the resident employees of Ganpat University. Later, however, the school grew persistently in accordance with the gradual increase in numbers of the students year after year. These days, it is a Nursery to Class 12, Science and Commerce, co-educational, English-medium day school cum residential affiliated to GSEB with hostel facility for the students above Class 5.

Ganpat Vidyalaya aims to provide all-round development to each student, laying emphasis on academics, sports, music, fine arts, communication and mathematics, through an innovative curriculum designed to make teaching-learning enjoyable.

The education helps inculcate among students 'a sense of purpose' in whatever they do and make the learning process a pleasure and adventure, so that they acquire knowledge to weigh and consider outcomes with reason and discrimination. Ganpat Vidyalaya always facilitates the same in favour of nation building though such students.

Presently, the school composition is 555+ students, 23 classes, 30 full-time well qualified educators.
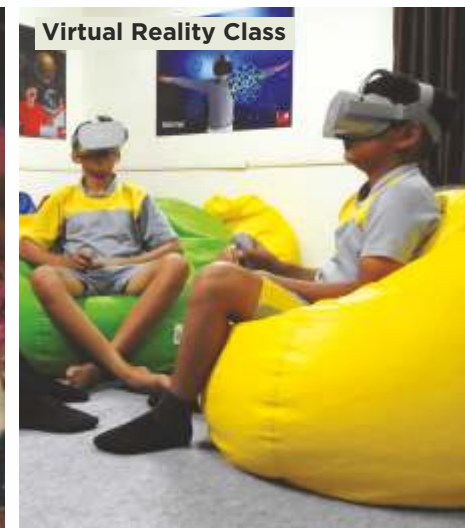

LOCATION

Ganpat Vidyalaya is a part of Ganpat University, that is spread over a 300+ acre green pristine surroundings with 50000+ trees in the southeast of Kherva village, on Mahesana-Gozariya Highway. It is about 16 km from Mahesana and 13 km from Gozariya 39 km from Gandhinagar and 59 km from Ahmedabad.

MISSION

It Shall be the constant endeavor of Ganpat University & Ganpat Vidyalaya to meet the English Medium Educational needs of the children in the state of Gujarat & to provide state of the art learning opportunities along with Inculcation of values of commitment and uprightness.

VISION

Ganpat Vidyalaya has a vision to provide the quality English Medium Education not only in the big towns but also to make it popular in the interior areas of the Gujarat State

Virtual Reality Class

Ganpat VolunTeacher Movement (GVM)

Ganpat VolunTeacher Movement (GVM) is a unique movement which empowers the students of Ganpat University to impart basic education to children of villages in and around Ganpat University campus through its students called GVT (Ganpat VolunTeacher) who conducts VolunTeaching session every Sunday in villages endorsed by Ganpat University. The movement is promoted with the vision to enlighten the life of kids and prepare the Socially Responsible Citizens of the nation. we appeal students to "spend one day per week for nation building". GVM family carries out various character building activities such as Cultural Event, Atmaranjan Shibir for Kids, Exposure Trips, Sports Day and Swa-Gyan Shibir for GVTs apart from regular teaching every Sunday. GVM also fulfils United Nations (UN) SDG 4-Quality Education is to ensure inclusive and equitable quality education and promote lifelong learning opportunities for all kids.

GVM has completed 10 years of successful VolunTeaching in the villages around Ganpat University. Started in September 2012 in Mulsan village. GVM has reached upto 9 villages. viz. Mulsan, Gilosan, Nugar, Lanva, Dharpuri, Rampura, Dharusana, Bhunav and Saduthala by now with team of 150+ GVTs on field which go into endorsed villages for VolunTeaching to 1000+ kids on every sunday.

Learn it by doing it is the core of teaching pedagogy
